

MD. AMDADUL ISLAM

Dhaka, Bangladesh | +8801537586283 | mdamdadulislam140@gmail.com linkedin.com/in/md-amdadulislam-6580933b2

PROFILE SUMMARY

Detail-oriented Computer Science undergraduate with strong communication, organizational, and problem-solving skills built through technical project work, structured documentation, and volunteer coordination. Comfortable maintaining accurate records, following defined processes, and communicating clearly with diverse teams and stakeholders. Looking to bring these interpersonal and administrative strengths to a Front Desk & Customer Care role.

EDUCATION

B.Sc. in Computer Science and Engineering — Southeast University

Expected Graduation: 2027

11th Semester | CGPA: 2.72 / 4.00

KEY SKILLS

- **Networking & IT Infrastructure:** Studying Cisco networking concepts under the CCNA syllabus, including the OSI model, TCP/IP protocols, and IP subnetting.
- **Communication & Teaching:** Fluent in Bangla (Native) and English (Proficient); explained Mathematics and ICT concepts clearly as a classroom teacher.
- **Organization & Record-Keeping:** Comfortable with data entry, structured documentation, and following defined workflows and procedures.
- **Problem-Solving:** Applied structured, step-by-step troubleshooting in coursework covering algorithms, data structures, and hardware/software maintenance.
- **Computer Literacy:** Comfortable with everyday computer tasks, MS Office, HTML5/CSS3, C, Java, and Python; quick to learn new software.
- **Teamwork & Collaboration:** Active member of the Southeast Computer Club, collaborating with peers on technical topics and activities.

RELEVANT EXPERIENCE

Volunteer — Flood Relief Fundraising Coordination

2024

- Collaborated with a volunteer team to raise and organize relief funds for flood-affected communities.
- Coordinated communication and follow-ups with donors and stakeholders, ensuring transparency and timely updates.
- Demonstrated reliability, teamwork, and interpersonal communication under time-sensitive conditions.

CERTIFICATIONS

- Diploma in Computer Science & ICT, SIT Foundation (Institute of ICT), Bogra — Grade: A (Jan – Jun 2023)
- Professional Online Digital Marketing, UY LAB (Aug – Oct 2023)

ADDITIONAL INFORMATION

- Languages: Bangla, English
- Technical background: Networking fundamentals (OSI Model, TCP/IP, IP Subnetting), HTML/CSS, C, Java, Python, MS Office, Digital Marketing
